Objective

Proficient in web design and development, adept at creating visually appealing and user-friendly websites using HTML, CSS, JavaScript, Next.js, Node.js, React.js, and PHP. Skilled in responsive design, ensuring seamless functionality across multiple devices. Experienced with MySQL databases and proficient in frameworks like Bootstrap, as well as CMS platforms such as WordPress. Seeking opportunities in a collaborative environment to leverage my skills and enthusiasm, contribute to meaningful projects, and continue professional growth. Looking for a new challenge!

Front-End Developer

Ottawa, Canada (Remote)

2024 Now – 2024 May
